Dear Red:

Last November, John Macy wrote you in support of the Career Education Awards Program of the National Institute of Public Affairs. In the hope that it may be of interest to you, I am sending you the enclosed copy of the Institute's most recent annual report, which describes that Program more fully and also provides information about our other related activities.

Also enclosed is a copy of a speech I gave recently related to all the good works you were involved with out in California on behalf of the aerospace industry.

Kindest regards,

Sincerely,

Carl F. Stover
